

BARRY M. ZIDE, D.M.D., M.D. | PROFESSOR OF PLASTIC SURGERY

Primary Hospital Affiliation

NYU Langone Medical Center
Institute of Reconstructive & Plastic Surgery
550 First Avenue | NY, NYC 10016
t 212-263-5834 | <http://www.med.nyu.edu/>

Private Practice

420 East 55th Street | Suite #1D
NY, NYC 10022 | t 212-421-2424 | f 212-421-2463

EDUCATION

B.S. (biology and philosophy)	Boston College (Boston, MA) Honors	1963-67
D.M.D.	Tufts University (Boston, MA) OKU Honor Society	1971
M.D.	Tufts University (Boston, MA) AOA Honor Society	1973

POST-DOCTORAL INTERNSHIPS, RESIDENCIES, AND FELLOWSHIPS

INTERNSHIPS & RESIDENCIES

- Intern in Surgery, Stanford Medical Center
Palo Alto, CA 1973-1974
- Resident in Surgery, Stanford Medical Center
Palo, Alto, CA 1974-1976
- Resident in Plastic Surgery, UNC School of Med, North Carolina Memorial Hospital
Chapel Hill, NC 1976-1978

CLINICAL & RESEARCH FELLOWSHIPS (POST- RESIDENCY)

- Fellow, Head & Neck Surgery and Oncology, Roswell Park Memorial Institute
Buffalo, NY 6/1978-12/1978
- Fellow, Microsurgery with Harry Buncke Jr., M.D., Ralph K. Davies Med Ctr.,
Franklin Hospital
San Fransisco, CA 1/1979-6/1979
- Fellow, Craniofacial Surgery, Instructor in Plastic Surgery with John Marquis Converse,
M.D., & Joseph G. McCarthy, M.D., NYU Med Ctr, Inst of Reconstructive Surgery
New York, NY 6/1979-6/1980
- Clinical Instructor, Plastic Surgery, Bellevue Hospital
New York, NY 1979-1981
- Assistant Professor of Surgery, Department of Plastic and Maxillofacial Surgery,
University of Virginia Medical Center
Charlottesville, VA 1980-1981

CIVIC INTERESTS (PRO-BONO SERVICES)

Honorary Police Surgeon (NYPD)

- Operations for members of NYPD and FDNY (pro-bono) 1985-present
- Honorary PBA State Police Surgeon (New York State Troopers- pro-bono) 2005-present

Senior Surgical Director of Head & Neck Vascular Malformations Clinic

- Operations on clinic cases with residents (pro-bono) 1995- present
- **Senior Surgical Consultant** to Surgical Section of Office of Professional. Medical 2001- 2011

Conduct (NY State)

LICENSURE & CERTIFICATIONS

National Board of Medical Examiners, <i>Diplomate</i>	1974-
New York State License Registrations	1979-present
American Board of Plastic Surgery, <i>Diplomate</i>	1981-present
Arizona Board of Medical License	1998- expired
Florida Board of Medical License	2006- expired

ACADEMIC APPOINTMENTS

Clinical Instructor in Plastic Surgery, Bellevue Hospital	1979-1980
Assistant Professor of Plastic Surgery, New York University, <i>tenured</i>	
Associate Professor of Plastic Surgery, New York University, <i>tenured</i>	1981-1999
Professor of Plastic Surgery	1999-present

HOSPITAL APPOINTMENTS

Associate Professor of Surgery (Plastic), NYU Medical Center, NYC	1982-
Bellevue Hospital Center, NYC	1982-
Manhattan Veterans Administration Hospital, NYC	1982-
Manhattan Eye, Ear and Throat Hospital, NYC	1982-
New York Eye & Ear Infirmary, NYC	1982-1985
Lenox Hill Hospital, NYC	1995-
Beth Israel Medical Center North, NYC (Now St. Luke's/Roosevelt Hospital)	1996-
Professor of Plastic Surgery, NYU Medical Center, NYC	1999- present
Hospital for Joint Diseases, NYC	2006-

VISITING PROFESSORSHIPS (ASPS DESIGNATED BY INVITATION)

Eastern Virginia Medical Program, Norfolk, VA	1985
Indianapolis, Indiana	1986
Georgetown University, Washington, DC	1992
John Hopkins, Baltimore, MD	1995
George Washington University, Washington, DC	1999
Yale University, New Haven, CT	2000

AWARDS & HONORS

Special Award for Excellence in Oral Pathology	1971
Omicron Kappa Upsilon, Dental Honor Society, Tufts University	1971
Alpha Omega Alpha, Medical Honor Society, Tufts University	1973

MAJOR COMMITTEE ASSIGNMENTS

In Service Examination Committee: Maxillofacial & Craniofacial Section	1982-
Scientific Program Committee: American Society of Plastic Surgery	1982-
American Society of Maxillofacial Surgery Scientific Program, Chairman	
Audiovisual Committee for Plastic Surgery Educational Foundation Reviewer	1983-
New York Regional Plastic Surgical Society, Program Chairman	1984-
Plastic Surgery Update: The Symposium of Three Days, co-chaired with Dr. J. McCarthy and Dr. S. Aston, Program Chairman	1985-
Finance Committee, Northeastern Society of Plastic and Reconstructive Surgery	1958-1986
New York Regional Society of Plastic and Reconstructive Surgery, Secretary Program	1986-
Committee, Northeastern Society of Plastic and Reconstructive Plastic Surgery	
Scientific Program Committee: Northeastern Society of Plastic Surgery	1987-
Scientific Program Committee (Head & Neck, Craniofacial) ASPRS	1987-1988
Seattle Meeting Membership Committed, Northeastern Society of Plastic Surgery	1987
Scientific Program Committee, Northeast Regional Plastic Surgeons	

Medical Advisory Panel, National Organization of Vascular Anomalies	1990-
Legal Defense Committee, New York University Medical Center, Chairman	1984-1990
Vascular Birthmarks Foundation Surgeon	2010-

MEMBERSHIPS, OFFICES & COMMITTEE ASSIGNMENTS IN PROFESSIONAL SOCIETIES

New England Society of Clinical Hypnosis	1971-1973
American Academy of Oral Medicine	1972-1973
Roswell Park Surgical Society	1978-
Womack Surgical Society	1978-
Converse Surgical Society	1979-
American Society of Maxillofacial Surgeon	1981-
New York County Medical Society	1981-1998
New York Regional Society of Plastic & Reconstructive Surgery	1981-
American Society of Plastic & Reconstructive Surgery	1981-present
Northeastern Society of Plastic Surgeons	1985-resigned
International Society of Cranio-maxillofacial Surgery	1985-resigned
Cleft Lip and Palate Society	1985-1995
Northwest Society of Surgeons	1987-
American Association of Plastic Surgeons	1988-

MAJOR RESEARCH INTERESTS

Clinical Studies of Facial Disfigurement and Repair, specifically related to vascular and melanocytic growths.

Anatomic Studies related to Facial Surgical Techniques, esp. for tumor and vascular anomalies senior

PRINCIPAL CLINICAL & HOSPITAL SERVICES RESPONSIBILITIES

Associate Professor of Surgery (Plastic) and Attending, NYU Med Ctr, NY, NYC	1982-1999
Professor of Plastic Surgery and Attending, NYU Med Ctr, NYC, NY	1999-present
Director (Surgical) and Senior Surgeon of Vascular Anomalies Center, NYU Med Ctr, Institute of Reconstructive & Plastic Surgery	1995-present

PUBLICATIONS

BOOKS

- | | |
|---|------|
| 1. <u>Surgical Anatomy of the Orbit</u> , Zide, B.M., Jelks, G. Raven Press | 1986 |
| 2. <u>Surgical Anatomy Around the Orbit</u> : Sole Author, Lippincott, Williams & Wilkins | 2005 |

CHAPTERS

1. Zide, B.M. and Buncke, H.J.: Aesthetic microvascular surgery chapter in Textbook of Aesthetic Plastic Surgery by John R. Lewis: Little, Brown and Co., 1981.
2. McCarthy, J.G. and Zide, B.M. Rare Craniofacial Clefts in Pediatric Plastic Surgery, by Serafin & Georgiade, C.V. Mosby Co., St. Louis, Missouri, 1984.
3. Zide, B. Comments on Chapter 33, Jaw Deformity in the Unfavorable Result in Plastic Surgery, by Goldwyn, R., Little, Brown & Co., Boston, Mass. 1984.
4. Zide, B.M. and McCarthy, J.G.: Rare Craniofacial Clefts A detailed classification. Pediatric Plastic Surgery by Serafin, D. and Georgiade, N.G., 1984.
5. Zide, B.M. Reconstruction of the Lips and Cheek; in text: McCarthy, J.G. Reconstructive Plastic

Surgery Publication, 1989.

California Society of Family Practitioners

- Lecturer and Presentation, Plastic Surgical Methods in Burn Care. Northern California Nurse Practitioners 1976
- Presentation (sole): Facial Palsy Reconstructive, discussant, Earle E. Peacock, M.D., University of North Carolina School of Medicine, Dept. of Surgery 1976
- Lecturer, Tendon Transfers for Ulnar Nerve Palsy; Symposium in Physical Therapy of the Hand; North Carolina Memorial Hospital 1976
- Lecturer, Plastic Surgical Techniques, North Carolina Memorial Hospital Family Practice Group & Surgery Interns 1976
- Presentation, Variations in Face Lift Technique. Co-author with Donald Laub, M.D.; American Society of Plastic and Reconstructive Surgeons Annual Meeting, San Fransisco, CA 1977
- Presentation, Getting to the Core of Pressure Sore; University of North Carolina, Department of Surgery, Grand Rounds (videotaped for North Carolina Mem. Hospital) 1978
- Presentation, Splinting points for the Finger Joints; Scientific Program, Seventeenth Annual Plastic Surgery Senior Residents Conference, Hershey, PA 1978
- Paper Presented at ASPRS Meeting in Toronto. Title: Microvascular Anastomotic Splinting, by B.M. Zide, M.D. and H.J. Buncke, M.D. 1979
- Presentation: Updated Concepts of Orbital Anatomy. Invitation by NYU Medical Center Institute of Plastic and Reconstructive Surgery 1980
- Presentation at First Annual Instructional Post-Graduate Course, "Anatomic Pathophysiology in Cleft Lip and Palate," New York, NY 1980
- Tutorial session at First Annual Instructional Post-Graduate Course, Cephalometric Evaluation of the Face, New York, NY 1980
- Presentation: Avant-garde Flaps in Reconstructive Surgery, Surgical Grand Rounds University of Virginia Medical Center 1981
- Paper presented at Senior Resident's Conference in Nashville Tennessee Joint Stabilization for Skin Grafting of the Ankle, Apeos, J., and Zide, B.M. 1981
- Presentation in second Post-Graduate Course in Plastic Surgery for NYU 1981
- Lectures and tutorials regarding cleft lip/palate; embryology of the face; head and neck anatomy; radiation injury. Barbizon Hotel, New York, NY 1982
- Presentation at 1982 meeting: American Society of Aesthetic Plastic Surgery "Anatomy of Blepharoplasty", MGM Grand Hotel, Las Vegas, NV 1982
- Presentation at Oculoplastic Symposium: The Medical Canthus. NYU Medical Center, New York, NY 1982
- Presentations: 1. Cleft Lip (Anatomy Review) 2. Medial and lateral Canthal anatomy Invitation, Northwest Society of Plastic Surgeons 1982
- Review Course in Oral and Maxillofacial Surgery, LSU New Orleans, LA 1982

- Jelks, G.W., Zide, B.M., McCarthy, J.G., The Canthus Revisited: Surgical Techniques 1983
Based on Anatomic Studies. Presented at VIII International Congress of Plastic Surgery,
Montreal, Canada; Zide, B.M., McCarthy, J.G., Sadove, M., Grayson, B.H.,
Early Surgery in the Child with Craniofacial Syntosis: A Nine Year Experience.
Presented at VIII International Congress of Plastic Surgery, Montreal, Canada
- McCarthy, J.G., Grayson, B.H., Zide, B.M., Vicerky, C., Leforte III Advancement in the
Growing Child: A Lonitudinal Study. Presented at VIII International Congress of Plastic
Surgery, Montreal, Canada
- Surgical Anatomy of Rhinoplasty- American Society of Aesthetic Plastic Surgey, LA, CA 1983
- Course Presentation: Schering Soft Tissue Workshops, New York, NY 1983
Course: (2 ½ hours) Anatomy of the Orbit and Eyelids with Glenn W. Jelks, M.D
American Society of Plastic and Reconstructive Surgery, Dallas, TX
- Paper presentation by J.G. McCarthy, M.D. and Zide, B.M., " The Spectrum of 1983
Calvarial Bone Grafting": Introduction of a New Technique
- Paper presentation by Zide, B.M., McCarthy, J.G., et al. Early Surgery for Craniofacial 1983
Synostosis-International Plastic Surgery Meeting, Toronto, Canada
- Videotape: Surgical Anatomy of Rhinoplasty 1982-1983
 1. American Society of Aesthetic Plastic Surgery, Los Angeles, CA
 2. American College of Surgeons Meeting, Atlanta, GA
 3. American Society of Plastic and Reconstructive Surgery, Dallas, TX
- Upgrade on Surgical Flaps for Facial Reconstruction, Skin Surgery Symposium, 1984
Dermatology Update Meeting, NYU Medical Center
- Recent Advances in the management of Maxillofacial Injuries, CME 1984
Assembly of New York Medical Society, New York, NY
- Surgical Correction of Craniofacial Anomalies, presented: Workshop on 1984
Genetics & Craniofacial Anomalies, New York, NY
- Moderator- Burning Problems in Maxillofacial Surgery, American Society 1984
of Maxillofacial Surgery, Las Vegas, NV
- Paper presentation Zide, B.M. and McCarthy, J.G.: Solid stabilization for LeFort 1984
procedures, American Society of Maxillofacial Surgery, Las Vegas, NV
- Course given with Jelks, G.: Applied Anatomy of the Eyelids and Orbit 1984
- (2 ½ hours): Education Foundation, Las Vegas, NV 1984
- Faculty- Rhinoplasty Symposium: An update- Surgical Anatomy of the Nose. NY, NY 1984
- Presentation (Panel) Calvarial bone grafting for skull replacement 1984
- Invitation to American College of Surgeons, California 1984
- Presentation: Basic Clinical Aspects of Tissue Expansion in Aesthetic Surgery 1984
Update (Chairman: Rees/Baker) New York, NY
- Presentations for course on Cleft Lip/Palate Update- New York, NY 1985
 - Anatomy of Cleft Lip 12/2/1985
 - Anatomy of Cleft Palate 12/5/1985
 - Alveolar Bone Grafting- How I do it 12/6/1985

- Presentations at Plastic Surgery Update: The Face 1986
 - Talk 1: Anatomy of the Eyelids
 - Talk 2: Surgical Anatomy of the Lip and Chin
 - Talk 3: Anatomy of the Forehead and Temporal Regions
 - Talk 4: Clinical Use of Tissue Expanders

- Presentations at International Society of Aesthetic Plastic Surgery 1986
 - By Invitation of Guy Jost
 - Talk 1: Surgical Anatomy of the Nose
 - Talk 2: Surgical Anatomy of the Eyelid
 - Talk 3: Prosector dissections for course in Cadaver demonstration

- Session Secretary, Northeast Society of Plastic and Reconstructive Surgery, Waldorf Astoria, New York, NY

- Presentation: Mentalis Muscles- Essential Component of Soft Tissue Chin Position, Northeast Society Meeting, New York, NY

- Presentation: American Society of Plastic Reconstructive Surgery, The Mentalis Muscles- The Effect on the Chin Position, Atlanta, GA 1987

- Visiting Speaker, Applied Strategic Anatomy of the Nose, Nassau County Medical Otolologic Society, NY 1987

- Presentation by Darius Kohan, M.D., Armer Society of Cosmetic Facial Surgery; The Combined Use of Split Calvarial Bone Iliar Cancellous Bone to Reconstruct a Difficult Frontal Bone Deformity 1988

- Kohan, D., Plasse, H. and Zide, B.M., Faculty- in Aesthetic Oculoplastic Surgery, New York, NY 1988
 - Talk 1: Anatomy of the Orbirt and Adnexa
 - Talk 2: Orbital Maxillo Facial Injurie

- Presentation: Reduction of Lips Affected by Port Wine Stain, Northeast Society of Plastic Surgeons, Newport, Rhode Island 1989

- Presentation: Anatomy of the Twisted Nose at Symposium Rhinoplasty Update Waldorf Astoria, New York, NY 1989

- Faculty: Rhinoplasty Symposiium, Aesthetic Rhinoplasty: State of the Art, Waldorf Astoria, New York, NY 1989

- Grand Rounds, Columbia P&S Plastic Surgery, reconstruction of the Lip and Cheek 1990

- Faculty Speaker: Course on Maxillofacial Update, Topic: Alveolar Bone Grafting 1990

- Moderator: Panel on Facial Resurfacing, Northeast Society of Plastic Surgery Lake George, New York, NY 1990

- Special instructional course given. Anatomy of Cosmetic Surgery ASPRS, Boston MA 1990

- Presentation of Paper, McCarthy, j. G. and Zide, B.M., Early Fronto-Orbital Advancement Revisited: Unsolved Problems, ASPRS, Boston, MA 1990

- Presentation, Paonesa, K., and Zide, B.M., Tissue Expanders in Spinal Surgery for Deficient Soft Tissue of Post-radiation cases, Poster-North American Spine Society Poster Monterey, California 1990

- Presentation, Zide, B.M. and Paonessa, K. Same poster #57- Scoliosis Research Society, Honolulu, Hawaii 1990
- Presentation: Karp, N. and Zide, B.M., Maximizing gain from Rectangular Tissue Expanders. Poster- ASPRS Meeting, Boston, MA 1990
- Presentation: McCarthy, J.G., Ruff, G.L., Zide, B. M. – A surgical system for the Correction of bony chin deformity. Clin. Plast. Surg. 18:139 1991
- Keynote speaker (1 hour) Aesthetic Surgical Anatomy, by Invitation Kings County Medical Center, Annual Meeting 1991
- Presentation: Functional Anatomy of the Nose, Northeast Regional Society Meeting Philadelphia, PA 1991
- Presentation of paper, Complicated Closure After Spinal Cord Tumor Removal in Complications of Pediatric Neurosurgery, New York, NY 1991
- Presentation of paper, Pseudomeningocele: Prevention and Management Closure After Tethered Cord in Complications in Pediatric Neurosurgery, New York, NY 1991
- Panel on Tissue Expansion, Tissue Expansion of the Scalp, ASPRS Meeting Washington, DC 1991
- Moderator and Panelist on Chin Ptosis, Iatrogenic Chin Ptosis, ASPRS Meeting Washington, DC 1991
- Anatomy of Aesthetic Plastic Surgery Course, ASPRS Meeting, Washington, DC 1992
- Visiting Professor, Georgetown University- On Reconstruction of Lips & Cheeks 1992
- ASPRS Meeting- 2 hour course- Updated Anatomy of Cosmetic Facial Surgery 1993
- Rhinoplasty Symposium- Waldorf Astoria, New York, NY 1993
 - Talk 1: Practical Surgical Anatomy
 - Talk 2: An Algorithm for Tip Projection
 - Panelist- Problem Cases
- Moderator- Special Problems and Techniques and live video demonstrations 1993
 - Guest Faculty- Symposium on eyelids, Orbit and Face
 - Talk 1: Lip Reconstruction and Aesthetics
 - Talk 2: Cheek Reconstruction and Aesthetics
 - Talk 3: Chin Reconstruction and Aesthetics
- Presentation of paper, Glasberg, Zide, B.M., Twenty years experience with Early Surgery for Craniosynostosis I., Isolated Craniofacial Synostosis II. Pansynostosis And Craniofacial Syndroms, ASPRS Meeting, New Orleans 1993
- Panel on Prevention and Treatment of Immediate Postoperative Facelift Complications In Aesthetic Surgery (ASAPS in Publications) 1993
- Presentation of paper, Flynn, A., Zide, B.M., et al. Surgical management of large Congenital nevi; experience in 77 patients- American Association of Plastic Surgeons, St. Louis, Missouri 1994
- Moderator on Full Day Chemical Peel Symposium presented by BioMedic, San Diego, California 1994

- Panel Presenter- Lip and Cheek Reconstruction ASPRS Panel on Facial Reconstruction, San Diego, California 1994
- Presented by Langstein and Zide. "How to Use a Gel Temple of Exact Flap Transfer" Northeast Regional Society Meeting, Quebec, Canada 1994
- Endoscopy Panel, Anatomy of the Face- Pitfalls in Cosmetic Surgery, Northeast Regional Society Meeting 1994
- Simple Lip Surgery in Academy of Dermatology Advances, New York University Medical Center, New York, NY 1994
- Problems in Chin Surgery in Aesthetic Surgery of the Face, MEETH Symposium New York, NY 1994
- Presentation of paper, "So You Know How to Close"- Problems in Pediatric Neurosurgery Symposium, New York, NY 1994
- Advances in Surgery of the Cheek and Chin, Vascular Malformations of the Face, John Staige Davis Lecture, Baltimore, MD 1995
- Grand Rounds Lip Reconstruction, John Hopkins Hospital, Baltimore, MD 1995
- Paper presentation by Paul Glat, M.D., Periorbital Melanoma: Excision and Reconstruction in 40 Patients, ASPRS meeting, Montreal, Canada 1995
- Aesthetic and Reconstructive Rhinoplasty Symposium, Plaza Hotel, New York, NY 1995
 - Talk 1: Surgical Anatomy
 - Talk 2: Quandaries of Tip Augmentation
 - Talk 3: The Treachery of Chin Surgery: The Nose Chin Symbiosis
 - Moderator: Live Surgery, Rhinoplasty
- Poster presentation, Glat, P., Longaker, M. and Zide, B.M., Control of Transbony Vessels for AVM's of the Scalp, ASRS Meeting, Dallas, TX 1996
- Reunion speaker for Tufts University School of Dental Medicine- The Union Of Dentistry and Plastic Surgery, Tufts School of Medicine, Boston, MA 1996
- Grand Rounds/Visiting Professor Downstate Medical Center Department of Dermatology, Brooklyn, NY 1996
 - Talk 1: Facial Reconstruction, hemangiomas and giant nevi (1 hour)
 - Talk 2: How to the Block the Face (1 ½ hours)
- Presentation of paper, "What's the Big Deal About Chin Surgery", Florida Society of Plastic and Reconstructive Surgeons, Orlando, FL 1996
- Aesthetic Plastic Surgery Symposium, Waldorf, Astoria Hotel, New York, NY 1996
 - Live Surgery- Transconjunctival Blepharoplasty
 - Discussion Moderator
 - Talk 1: Facial Anatomy and Rhytidoplasty
 - Talk 2: Ptosis and Hidden Problems with Chin Surgery
 - Talk 3: Nasal Structure and Surgical Anatomy
- New York Dental Study Club- The evaluation of chin problems, Princeton Club (1996) Lip Surgery and Evaluation of Problems (1997) 1996-1997
- Blepharoplasty Panel Presentation, 13th Annual Northeastern Society of Plastic 1996

Meeting, Stouffer's Mayflower Hotel, Washington, DC

- Multidisciplinary Concepts in Aesthetic Restoration of Facial Defects, ASMS/PSEF 1997
Sheraton El Conquistador Resort, Tuscon, AZ
Talk 1: The Surgical Treatment of Giant Facial Nevi
Talk 2: Lip Reconstruction with Steven Kroll, M.D.
Talk 3: Facial Tissue Expansion and Serial Excision
- International Esthetic Surgery Symposium, Sand Andres, Columbia, South America 1998
August 26-29.
Talk 1: Nerve Block of the Face
Talk 2: Anatomy of the Deep Plane Facelift
Talk 3: Blepharoplasty and Browpey
Talk 4: The Perils of Chin Surgery
Talk 5: Anatomy of Rhinoplasty
- ASPRS Meeting, Boston, MA 1998
-Panel on Vascular Malformations-Involving Vascular Lestions
-Panel on Facial Reconstruction-Tissue Expansion of the Face
- Northeast Regional Society of Plastic Surgeons Meeting, Newport Beach, RI 1998
2005 Moderator: Panel on Facial Reconstructions, "What's New?"
2006 A New Method of Nasal Flap Design
2007 Panel on Orbital Surgery: Browpey & Transconjunctival Blepharoplasty
- Advances in Aesthetic Plastic Surgery: The Cutting Edge II, Plastic Surgery 1998
Symposium, Waldorf Astoria Hotel, New York, NY, November 13-19.
Talk 1: How to Block and Tackle the Face
Talk 2: Chin Ptosis and Other Problems
Talk 3: Rhinoplasty Anatomy/10 Keys Point
Live Surgery Telecast-Facial Nerves Block
Panel Moderator
- Multidisciplinary Concepts in Aesthetic Restoration of Facial Defects, ASPRS/PSEF 1999
Symposium, Sheraton El Conquistador Resort, Tuscon, AZ, April 8-11.
Talk 1: The Treatment of Facial Nevi
Talk 2: Cheek Reconstruction
Talk 3: Lip Reconstruction
Talk 4: Major Screw-Ups: What I Learned
- Visiting Professor, George Washington University Medical Center, Grand Rounds 1999
Topic: Large Lesions of the face.
- Grand Rounds, Department of Dermatology, Downstate Medical Center, Alan Shalita 1999
Chief, Topic: Vascular lesions and pigmented moles
- Florida Society of Plastic and Reconstructive Surgeons, Annual Winter Meeting 1999
Ocean Reef Club, Key Largo, FL, December 9-12.
Talk 1: How to Block the Face
Talk 2: Lip Reconstruction
- Visiting Professor, Yale University, Connecticut 2000
- Vascular Anomalies Conference 2000, Speaker on Large Vascular Malformations 2000
New York University Medical Center, New York, NY, April 7-8.
- American Association of Plastic Surgeons, Annual Meeting, The Carlton 2000
Laguna Niguel, CA, May 7-10.

- Guest Speaker, Giant Nevus Network, Giant Nevus: What to do. 2000
Denver, CO, June 9-11.
- ASPRS Facial Panel: Complications of Chin Surgery, Los Angeles, CA. 2000
- Advances in Aesthetic Plastic Surgery: The Cutting Edge Symposium 2000
Waldorf Astoria Hotel, November 13-17.
Talk 1: Upper Eyelid Areas Browpexy (Zarem technique)
Talk 2: Chin Reduction Osteotomy from Below for Macrogenia
- Aesthetic Restoration of Facial Defects: From Infancy to Adulthood 2001
Hyatt Regency, La Jolla, California, February 22-25
Talk 1: Vascular Facial Malformations
Talk 2: Reconstruction of the Cheek
- Vascular Anomalies Course 2001, CME Course Update of Controversies and 2001
Clinical Management, Speaker on Combined Embolization and Surgical
Correction for Facial AVM's, NYU School of Medicine, New York, NY, May 18-20
- Poster presentation: Warren, S., Longaker, M., and Zide, B.M.: Title: Nasal 2001
Subunit Incision for Hemangiomas of the Nose at the 9th International Congress of
International Society of Craniofacial Surgery, Visby, Gotland, Sweeden, June 17-20
- Grand Rounds, Pediatric Department, Lenox Hill Hospital, Dr Spang 2001
Topic: Updated Approach to Nevi and Hemagiomas in Kids, October 4.
- Moderator for facial reconstructive panel: Closure on Moh's defects, Northeastern 2001
Society of Plastic Surgeons, 18th Annual Meeting, Ritz Carlton, Philadelphia, PA
October 5-6.
- Aesthetic and Reconstructive Rhinoplasty: An Evaluation of Recent Conceptual 2001
and Surgical Advances, Waldorf Astoria, New York, NY, October 13.
- Visiting Professor at the Ninth Annual Plastic Surgery Visiting Lectureship, Exempla 2001
Saint Joseph Hospital, Denver, CO, October 18-19.
Talk 1: Advanced concepts of chin surgery
Talk 2: Vascular Malformation of the Face
- Guest Speaker: How to Decide if You Need Cosmetic Surgery, Pathways Women's 2001
Health, Educational Seminars, Manhasset, NY, November 29
- PSEF Symposium, Aesthetic Facial Reconstruction in Adults and Children 2002
Opryland Hotel Nashville, Nashville, TN, February 14-17.
Talk 1: How to Block and Tackle the Face
Talk 2: The Vertical Hike Cheek Flap (Schrudde medthod)
Talk 3: Reconstruction of the Upper Lip
Talk 4: Update on Repair of Post-Surgical Chin Deformities
Talk 5: Expanders- Treatment of Complications and their Advoidance
- ASAPS/ASERF Annual Meeting, Ceasar's Palace, Las Vegas, NV, April 29- May 3 2002
Course: Applied Anatomy of the Head and Neck
Special Presentation: Big and Small Chins and How to Fix Them
- Emerging Technologies in Plastic Surgery Symposium, Speaker on Cosmetic 2002
Surgery of the Chin and How to Block and Tackle the Face- The Emerging
Update, NYU School of Medicine, May 31- June 1.

- Dental Study Club of New York, Speaker on update of anatomy of chin area
Surgical applications for augmentation and reduction, treatment of complications
and therapy for droopy chins, Princeton Club, New York, NY, October 2. 2002
- Advance in Aesthetic Plastic Surgery: The Cutting Edge Symposium, Waldorf Astoria
New York, NY, October 22-26. 2002
Topic: Cosmetic Blepharoplasty
Live Surgery: Chin Surgery- Ptosis, Problems and Updates
- Visiting Professor- University of Rochester, Dept. Chief: Joseph Serletti, M.D. 2003
Keynote Speaker: Everything you wanted to know about the chin, May 1.
- Guest speaker at APRSSA- South Africa, October 19-23. 2003
Talk 1: Aesthetic surgery of the chin
Talk 2: Tips on lips: Easy to hard
Talk 3: Hemangiomas and vascular malformations- Touching the surface
Talk 4: How to Block and Tackle the Face (with demonstration)
Talk 5: Cheek reconstruction- New and old ideas refined
- Aesthetic Surgery of the Aging Face, Waldorf Astoria Hotel, New York, NY, Nov. 20-23 2003
Talk 1: Correction of Chin Ptosis
Talk 2: Radiance- The New Injectable Material with Hydroxyapatite
- The New Jersey Society of Plastic Surgeons, Annual Spring Meeting, Fortgate
Country Club, New Jersey, April 3. 2004
Talk: "Cheek Reconstruction: Learning from mistakes and winning the war."
- Fourth Annual John Knowles Swinburne Lecture, Nassau County Medical Center 2004
May 15.
Talk: Advanced methods for cheek/ facial reconstruction
- Guest Speaker- Hackensack University Medical Center Lecture Series 2004
Hackensack, NJ, June 21.
Talk: "Tips on Lips"
- Guest Speaker- Tufts University Dental Alumni Association- New York Chapter 2004
The Penn Club, New York, NY, October 13.
Talk: "Lip Surgery: From Easy to Hard"
- Advances in Aesthetic Plastic Surgery: the Cutting Edge Symposium 2004
The Plaza Hotel, New York, NY, November 12-16.
Talk: New Revelations in Forehead and Periorbital Anatomy
- Aesthetic Facial Reconstruction in Adults and Children: Fresh Start Symposium 2005
Tuscon, AZ, February 23-26.
Talk 1: Vascular Malformations
Talk 2: Periorbital and Orbital Anatomy and its Implications
Talk 3: Cheek repair- Philosophy and Options (Personal Approach)
Talk 4: Repair of the Lip (Personal Approach)
- Surgical and Other Issues in Vascular Anomalies, NYU School of Medicine, May 13-14 2005
Talk: Mythbusters 101- Truths and Faallacies in the Treatment of
Hemangiomas and AVM's.
- American Academy of Dermatology- Advanced Course Hemangiomas and 2005
NYU School of Medicine, June 2.
- Advances in Aesthetic Plastic Surgery: The Cutting Edge Symposium 2005

- The Hilton Hotel, New York, NY
 Talk: Some unusual Chin Problems and how to fix them
- Aesthetic Surgery of the Aging Face: The Waldorf Astoria, New York, NY November 16-19. 2005
 Talk: The Big Chin
 - Advances in Dermatology: NYU School of Medicine, June 16. 2006
 Talk: How to treat nevi large and small
 - Basic Maxillofacial Principles and Techniques for Plastic and Reconstructive Surgeons, Miami, FL, January 5-7. 2007
 Talk: Lip and cheek reconstruction
 - 24th Annual Symposium on Facial Plastic Surgery: PNC Bank Arts Center Holmdel, NJ, April 25. 2007
 Talk: Cheek Reconstruction- How to Do it Well
 - Vascular Anomalies 2007: Update on Research & Controversies in Clinical Management, NYU School of Medicine, April 27-28. 2007
 Talk: Timing for treatment of hemangiomas
 - 12th Esser Course- Aesthetics in Facial Reconstruction/ New Perspectives Erasmus MC University Medical Center, Rotterdam, June 1-2. 2007
 Talk 1: How to Block and Tackle the Face
 Talk 2: Reconstruction of hemangiomas and vascular anomalies
 Talk 3: Reconstruction of the cheek: Principles and practice
 Talk 4: Reconstruction of the upper lip
 Talk 5: An overview of chin problems
 - ASIF Advanced Orbital Course: W Hotel, New York, NY, November 17-18 2007
 Talk: Clinically Relevant Periorbital Anatomy
 - Poster Session: American Association of Plastic Surgeons Meeting: Fairmont Hotel, Boston, MA, April 4-8. 2008
 Talk: Zide, B., and Garfein, E.: Chin Ptosis: Classification, Anatomy, Correction
 - Zide, B.: Correction of Soft Tissue problems of the chin (by invitation), Saint Barnabus Hospital, New Jersey Society of Plastic Surgeons, April 11. 2008
 - Zide, B.: Grand Rounds, NYU Department of Dermatology; May 7. 2008
 Talk: The Facial Nevus, Unique Methods of Control
 - Princeton Club Lecture to New York Dental Society, Monthly Study Group
 Talk: Controlling complications of the chin
 - Chin Problems (by invitation); University of Miami Graduation: June 27. 2008
 - Functional and Aesthetic Reconstruction of Craniofacial Skeleton Symposium: ASPS Chicago, IL, October 31. Panelist: Local Flaps of the Face 2008
 - One of four panellists: Local flaps of the face: Moderated by Scott Bartlett, M.D. 2008
 - Advances in Aesthetic Plastic Surgery: The Cutting Edge VII, The Hilton Hotel New York, NY, November 13-17. 2008
 Talk 1: Correcting the Pixie Ear and Alar Curve
 Talk 2: Unusual Chin Problems and How to Solve Them

- Cheek flaps, Lip, Chin: State of the Art Craniofacial Microsurgery Reconstruction 2009
The Hyatt Hotel, Baltimore, MD, March 12-14.
Talk 1: Chin Ptosis
Talk 2: Lip Reconstruction
- International Meeting on Aesthetic and Reconstructive Facial Surgery, Mykonos 2009
Greece, May 12-17.
Talk 1: Advanced Cheek Reconstruction
Talk 2: Achieving a smooth chin
Talk 3: Variations in chin reconstruction with alloplastic materials
Talk 4: Reconstruction of the lip
- Advances in Dermatology, NYU Langone Medical Center, June 11. 2009
Talk: Surgical Update on Hemangiomas and Vascular Malformations
- Northeast Society of Plastic Surgeons: Charleston, SC, September 25. 2009
Talk: 20 Ways to manage your practice in an economic downspring
- Chin Neck Junction, One of four panelists, Moderated by Dr. Bahman Guyuron 2010
Toronto, October 2.
- Speaker: Vascular Birthmarks Foundation, NYU Medical Center, October 9. 2010
Talk: Hemangiomas of the Face
